This Agreement constitutes a legally binding document, and it is important that You read it carefully.

JETBRAINS DATALORE REQUIRES A HEIGHTENED AWARENESS OF SECURITY-RELATED ISSUES, ESPECIALLY WHEN SHARING DATA WITH THIRD PARTIES. PLEASE TAKE STOCK OF THE CHARACTERISTICS AND CAPABILITIES OF JETBRAINS DATALORE BY READING THE DOCUMENTATION AND FAMILIARIZE YOURSELF WITH YOUR RESPONSIBILITIES AS SET OUT IN THIS AGREEMENT. PLEASE NOTE THE DISCLAIMERS AND LIMITATIONS OF LIABILITY IN SECTIONS 8 AND 9 BELOW.

You understand that by accepting this Datalore (On-Premises) License Agreement (by clicking the “I agree” or a similar button or by accessing or using Datalore), You enter into a legal agreement and agree to certain legal conditions for Yourself or for the legal entity that You represent.

By accepting this Datalore (On-Premises) License Agreement, You confirm that You understand it, agree to it, and are at least 13 years of age.

1. Introduction

This JetBrains Datalore (On-Premises) License Agreement (“**Agreement**”) describes how You can access, purchase, and use Datalore.

Accepting this Agreement creates a legal agreement between (i) JetBrains s.r.o., a company registered in the Commercial Register of the Prague Municipal Court, Section C, File 86211, ID No. 265 02 275 with its registered office at Na Hřebenech II 1718/8, Prague, 14000, Czech Republic (“**JetBrains**“, “**We**“, or “**Us**“) and (ii) You, either a legal entity or a natural person (“**You**”).

If You accept this Agreement on behalf of a legal entity, You confirm (‘represent and warrant’) that You are authorized to enter into agreements on behalf of that legal entity. If this Agreement is accepted using an email address provided by a legal entity, We will regard (‘deem’) You as authorized to represent that legal entity. You must be able to enter into contracts (‘have capacity’).

Summary: Accepting this Agreement creates a legal agreement between You and JetBrains. There are legal implications to accepting this Agreement.

2. Definitions

a) Special legal phrases

There are certain phrases that have an accepted meaning for lawyers. To ensure this Agreement is clear and accessible, We have included the accepted ‘legal’ phrase in parentheses after the word to show that We intend it to have the accepted ‘legal’ meaning.

b) Definitions

There are also words or phrases in this Agreement that have a particular defined meaning. When the word or phrase is used for the first time, it is defined and capitalized. This Agreement also uses the following definitions:

“**Affiliate**” means, with respect to any party, any entity that directly or indirectly, through one or more intermediaries, controls, is controlled by, or is under common control of that party. ‘Control’ for such purposes means the possession, direct or indirect, of the power to direct or affect the direction of the management and policies of a

person or entity, whether through the ownership of voting securities, by contract, or otherwise. You are responsible for the compliance of Your Affiliate with this Agreement.

”**Confirmation**” means an email confirming Your rights to use Datalore and containing important information about Your Subscription Plan, such as (including, but not limited to) the Subscription Period, the price of Your Subscription, and the number of Users that You are entitled to, as well as important payment information and information about application integrations You can use.

”**Data**” refers to Your data that may be transferred to, stored in, processed by, or otherwise used in Datalore.

”**Datalore**” means the JetBrains product offering known as “JetBrains Datalore On-Premises”, which is offered as on-premises software and includes all downloadable parts of Datalore that are provided by JetBrains in binary form (if any), the Documentation, software updates, and all Third-Party Software.

”**Documentation**” means the latest versions of all online Datalore technical documentation available at <https://www.jetbrains.com/help/datalore/dl-help-home.html> and any other relevant Datalore policy available on the JetBrains Website that applies to Datalore.

The limits include the maximum number of Users who can use Datalore.

ii) *Increasing the number of Users* – The paid Subscription Plan allows You to increase the maximum number of Users during the Subscription Period. b) You own Your Data

You keep ownership of all proprietary and intellectual property rights to your Data. This means that we never own any of your Data.

c) Feedback

You give Us the right to use, change (‘modify’), commercialize, and incorporate into Datalore any of Your ideas, suggestions, recommendations, proposals, or other feedback relating to Datalore. You cannot withdraw this permission after it is given (it is ‘irrevocable’) and it is perpetual. We are not required to pay a fee for this feedback (it is ‘royalty-free’), and We can transfer and give similar rights (‘sublicense’) to Your feedback to anyone else worldwide.

d) Third-Party Software

You understand that Datalore integrates Third-Party Software and that by using Datalore You might be using Third-Party Software. This Third-Party Software is provided to You on the terms and conditions of the respective Third-Party Software and You need to comply with those terms and conditions, which are available here: <https://www.jetbrains.com/legal/third-party-software/>. 5. Access and Your Data

If You use Datalore, We do not see or have access to Your Data. Depending on the nature of Your Data and the specific Datalore settings that You are using, the Data (such as reports) may be accessed by and visible to other Users or the public. It is Your responsibility to select and set the appropriate level of access to Your Data, as described in the Documentation.

6. Fees and Payments

a) Subscription fees

You can use Datalore for free when You sign up for the free Subscription Plan. The free Subscription Plan comes with limited features compared to a paid Subscription Plan, and You cannot make use of features that allow You to exceed the limits described on the JetBrains Website. If You select a paid Subscription Plan, You agree to pay Subscription fees based on the pricing described on the JetBrains Website and in this Agreement, and We will charge You as stated in this Section.

d) Payments

i) *Payment terms* – Unless We agreed to specific payment or billing terms in this Agreement, fees according to this Agreement must be paid by You in accordance with the JetBrains Terms and Conditions of Purchase (available at www.jetbrains.com/legal/docs/store/terms/) or in accordance with the terms provided to You by Your authorized JetBrains reseller or distributor, whichever are applicable.

ii) *Set-off* – You cannot deduct or set off any amount from the fees that You have to pay Us, even if We owe You an amount or You believe We owe You an amount ('counterclaim').

iii) *Taxes* – All Subscription fees, and other amounts relating to Datalore, exclude any and all applicable taxes and similar fees (except taxes based solely on Our income) now in force or that may be imposed in the future on the provision of Datalore. You are responsible for all taxes, levies, and duties, such as value-added tax ('VAT'), sales tax, and withholding tax, that apply in Your country. We can resolve a Support request by deciding in Our sole discretion to implement a publicly available patch, upgrade, or release in the future; by choosing to modify certain features, functionality, or settings; by providing necessary Support information; or by remaining inactive.

If You decide to submit Data to Us as part of Your Support request, We will keep it confidential. By providing the Data, You give Us the necessary rights to access, view, store, and analyze it in the context of providing You with Support.
