- ‘Prospective Student’, which means that you have created a Student Account, have received a Student Card, but you have not paid any Tuition Fee, and are only able to access the Educational Content for no more than a 7-day trial period, unless said trial period is extended by JetBrains, solely for the purposes of evaluating the Educational Content and Services (“Trial Period”).

Availability

The Academy and Services may not be available at all times or with complete functionality. We will do our best to notify you of reasonably foreseeable unavailability and limitations in functionality. You agree that we can modify, limit, suspend or discontinue your access to all or part of the Academy or the Service at our discretion.

Registered Education Services

You understand that the Services are not registered or otherwise licensed as education services in your country and that you must not use the Services if doing so would require them to be so registered.

Certificates

You understand that you are not entitled to any certificate, validation or similar confirmation that you are enrolled, completing or have completed study within the Academy or have used the Services.

Educational or other Student's Content

We are not responsible for the Educational Content or Content made public or communicated to you by other students in the Academy, including any 'comments' or similar communication function provided in connection with the Services. You understand and agree that Gems are not legal tender, a form of currency, voucher, prize nor otherwise have any value, and you cannot purchase, exchange or barter Gem. You can only use Gem in the Academy for the functionality expressly made available to you. This functionality is made available, and will be provided to you, at JetBrains' sole discretion, including modification of the functionality or disabling it altogether, irrespective of the Gem you hold. If this Agreement and/or a Tuition Period ends or is terminated, or you fail to pay the Tuition Fee, you understand that you forfeit all your accrued Gem.

Paying for Tuition

Tuition

You are responsible for paying the Tuition Fee, which is a condition of your use of the Services. The Tuition Fee is a payment for a subscription allowing You to use the Services, which is automatically renewed at the end of every applicable Enrollment Period. You will be charged for each Enrollment Period in advance.

Card Payments

You must pay the Tuition by providing a valid debit or credit card that is at all times owned by you, or which you are legally permitted to use. You authorize us to charge your payment card automatically on a monthly or annual basis, as applicable, for the full amount of the Tuition.

It is your responsibility to make sure that the payment card has sufficient funds or credit available to pay the Tuition, provide accurate and complete card information and to make sure that there are no restrictions on the card preventing regular payment. You can cancel your card authorization at any time before the end of the applicable Enrollment Period through the JetBrains Account. Your cancellation will be effective from the end of your currently applicable Enrollment Period and no refund will be provided for the Enrollment Period before the cancellation is effective.

Tax

The Tuition excludes any taxes, duties, levies imposed in the Customer's jurisdiction, including any value-added tax, sales or withholding tax. If these amounts are payable, you are solely responsible for paying these amounts and all associated liabilities.
